

WE WILL REMEMBER THEM

Nation will not take up sword against nation, nor will they train for war anymore (Isaiah 2:4)

The prophet Isaiah gave God's Word to his people 2700 years ago. A prophecy of what God will do in the future when his Son Jesus comes again to make a new creation in which there will be no more tears, no more pain, sorrow or death (Rev 21). That is Christian hope. That is why servicemen in the trenches were given copies of St John's gospel. But we don't need to wait for the righting of wrongs and the judgement of the wicked until the end times. Sometimes force is used by nations to right wrongs and end oppression and to protect freedom now. We should pray for those who have to make these decisions. They commit our service personnel to conflict. Today we honour the bravery and sacrifice of those who have fallen, those injured and those who continue to serve to protect our freedoms.
